In order to provide for the expeditious and mutually satisfactory settlement of grievances, the procedures hereinafter set forth shall be followed:

STEP 1:

(a) a grievance as defined in Section 1, herein, may be initiated by an individual employee to the employee's next immediate superior, i.e. Division Commander in the event the grievant is a lieutenant. If the complaint is not adjusted satisfactorily at this stage and the employee wishes to enter a grievance, it shall be presented by the authorized Association representative. Complaints must be answered within ten (10) working days.

(b) The Sheriff shall permit two members of the Association Grievance Committee to conduct the business of the committee, in accordance with the grievance procedure set forth herein, during the duty hours of these members without loss of pay.

When the Association wishes to present a grievance for itself or for an employee or groups of employees for settlement, such grievance shall be presented as follows:

Sick leave is hereby defined to mean absence from post of duty of an employee because of illness, accident, exposure to contagious disease or attendance upon a member of the employee's immediate family seriously ill, requiring the care of or attendance of such employee.

"Immediate family" means father, mother, spouse, child, foster child, sister, or brother of the employee. It shall also include relatives of the employee residing in the employee's household.

SECTION 2:

Each employee shall be entitled to sick leave credits at the rate of one day per month from the date of employment to the end of the calendar year of hire. If separation from employment occurs before the end of said year, and the employee has used more sick leave than appropriate on a pro rata basis, he shall have an amount equal to his daily rate of pay deducted from his final pay, for each day of sick leave taken in excess of the number to which he was entitled.

Each employee will be credited with fifteen (15) days of sick leave annually for each succeeding calendar year of full-time employment, which is accumulative. Sick leave cannot be used as terminal leave. There shall be no accumulated time under any circumstances for sick leave when leaving the employ of the County. (To be modified subject to Section 6 of this Article). If upon termination after a year's service an employee has used more sick leave than that to which he is entitled, he shall have deducted from his final pay an amount equal to his daily rate of pay for each day of sick leave taken in excess of the number of sick leave days to which he is entitled.

Sick leave benefits shall be available to permanent employees.

SECTION 3:

In the event an employee sustains a job connected illness or injury, he/she shall be continued on full salary for a period of up to twenty-six (26) weeks without such time off being charged against his present or accumulated sick leave when such absence is directed by the County approved attending physician. Any weekly workers compensation payments received during this period will be returned by the employee to the County of Morris. The provisions of this paragraph shall not apply to any settlement compensation award received by the employee as a result of permanent injury.

SECTION 4:

Notice of absence is required as follows:

ILLNESS: Each employee is required to notify his supervisor by one-half hour before starting time on each day of absence, provided, however, that shift personnel are required to so notify two (2) hours before starting time. Should the employee be unable to reach the supervisor, then the Sheriff's Telecommunications Center should be notified. It is recognized that there may be instances when it is impractical or impossible to give daily notice as in the case when an employee is hospitalized or seriously disabled in which case it shall be sufficient that the employee or member of the employee's family notify the supervisor or Sheriff's Telecommunication Center giving reason for absence and information as to the degree of illness or disability and the amount of time required for recuperation. Absent such instances the daily requirements of notice shall be enforced.

Failure to give notification as required will result in loss of sick leave for that day and may constitute cause for disciplinary action. Failure to report absences from duty for five (5) consecutive business days shall constitute a resignation pursuant to Department of Personnel rules and Regulations.

SECTION 5:

A certificate from a reputable physician in attendance shall be required as sufficient proof of need of leave of absence or the need of the employee's attendance upon a member of the employee's immediate family. Where an employee is absent from duty due to illness less than five (5) days the Sheriff may not require production of the physician's certificate. However, in the event absence from duty due to illness for five or more days at one time, the employee shall be required to submit a physician's certificate to his supervisor to justify payment of sick leave.

An accumulation of ten (10) sick days, the days having been taken at various times within a period of twelve months, except as noted above, may be approved without a physician's certificate. All sick time in excess of ten (10) days must be accounted for with a physician's certificate if the time is to be approved with pay.
